i) **Head to Head** = When two or more teams are tied in points, the result of their direct matchup with each other determines the standings (ex. If Team 1 and Team 2 are tied in Points, but Team 1 beat Team 2, Team 1 will be ahead in the standings).

ii) **Most Wins** = When two or more teams are tied in points, the team who has won more games in total will be ahead in the standings.

iii) **Differential** = Points For (PF) - Points Against (PA); the team with the higher difference will be ahead in the standings.

iv) **Average Differential** = $\text{Points For (PF)} / [\text{Points For (PF)} + \text{Points Against (PA)}]$
- $\text{PF}/(\text{PF}+\text{PA})$.

v) **Goals For** = The amount of goals a team scored in all games.

vi) **Goals Against** = The amount of goals scored against a team in all games.

vii) If teams are still tied, the final ranking will be determined by a flip of the coin.

b) **Elimination** game results in a tie:

i) The teams will play a 5 minute stop time 4 on 4 sudden death period.

ii) If still tied there will be a 3 man shoot out. Each coach will supply the referee a
shootout list.

The teams will alternate with the home team having the option to shoot 1st or
2nd.

iii) If still tied after the 1st round of shooters, the shootout becomes sudden death
and continues on a shot

by shot basis until the tie is broken. No player may shoot twice before every
player on the team has

shot once. It is the coach's responsibility to ensure that ALL players
excluding goalies shoot once before ANY

player shoots a 2nd time. The timekeeper and scorekeeper will assist with
recording the shooters numbers.

iv) Any player still in the penalty box at the end of the 5 minute overtime MAY
NOT participate in the shootout.

c) **Consolation** (other than Bronze) games will remain as a tie.

Please follow rules for your division in the PCAHA handbook, as well as these rules for
your Tournament.

GOOD LUCK, HAVE FUN, PLAY SAFE
