

# 2021-2022 (Covid and Flood) Year End Report

## Administrator/Registrar—Rhonda Bencze

I would like to thank everyone who gave of their time, talents and knowledge over the past season, it certainly was challenging! In the unknown environment of Covid and the flooding, your commitment to AMHA was impressive. Your dedication to promoting the sport and enhancing the lives of young children is commendable. The association would not be what it is today without your efforts. Whether you gave one hour or one thousand hours, THANK YOU!! I hope you all enjoyed your experience and are eager to return next season.

The list of my responsibilities have changed over the years and I have welcomed the challenges the changes have brought. Sitting on the selection committee for the scholarship recipients and participating in Volunteer Appreciation Night have brought me much joy. But by far, the biggest reward of my career remains seeing the smiles on players' faces. Whether it's their first time signing up, raising a banner or walking the graduation stage, those smiles are awesome!

I look forward to what the future holds for the association and being part of its growth.
