

Director Report - Tournaments

This was the most successful year for tournaments that I've ever seen with AMHA.

Every tournament was a team effort and we had lots of great tournament chairs and committee members. Every tournament ran pretty smoothly, and we set records with our tournament fundraisers.

Thanks to Sheri Doerkson and Rhonda Bencze for their help behind the scenes to help the tournament run smoothly. Thanks to Joel Byron and Mike Kandler for helping make sure all our games had officials. Thanks to Michelle Mitchell for getting our photos onto social media.

We ran things similarly to last year to last year but we took it to the next level. Our tournaments raised more money this year than I've ever seen before. We had multiple 50/50 draws that were over \$10,000.

This year we provided the tournaments with some toques for swag, we went over budget a bit but they were a big hit at the tournaments.

U18 Midget Memorial Tournament - Terina Savard and Carla Comeau co-chaired this tournament and did a fantastic job. There were lots of u18 issues and she handled them all. Our Abby u18 team won this tournament! Special thanks to Stu McIntosh for organizing an epic opening ceremony.

u15/u18 Rec Tournament – I chaired this tournament and had a great committee that helped make things run smoothly.

U13 Rep Tournament - Candice Cumiskey chaired this tournament. All 3 Abby rep teams won gold! There was a squares game fundraiser with the money raised going to Karman Gill and the amount raised was almost \$500!

U13 A3 Kaayk/Reddekopp Memorial Award - Sebastian Campbell

U13 A2 Kaayk/Reddekopp Memorial Award - Logan Thompson

U13 A1 Kaayk/Reddekopp Memorial Award - Karman Gill

U11 Rep Tournament - Colleen Gregory chaired this tournament. This was a smaller committee than most tournaments had but the entire committee was awesome and did a fantastic job. This was our first tournament that had their 50/50 jackpot over \$10,000!

u7/u8 Tournament - This tournament kinda ended up with 3 tournament chairs, Angela Adams, Karey Mann and Amanda Reyes. This was a well run tournament and they raised a lot of money!

u11/u13 Rec Tournament - Jaimie Friesen was the tournament chair and she was awesome. This tournament ran great and their 50/50 ended up being around \$10,000!

U9 Tournament - Jessica Hill chaired this tournament and did great. This was an exciting tournament for everyone because it was full ice. There were some issues with PCAHA before the tournament started but we got them sorted out.

U15 Dallas Saunders Memorial Tournament - Craig Carlson chaired this tournament and he was fantastic and easy to work with. Dallas' parents came to town to attend the event. Abby A2 won gold in this tournament! This was one of the biggest tournaments that AMHA has ever had, with 30 teams in the tournament. The Dallas Saunders award was given to Evan Carlson.

Looking forward to running tournaments again next season.

Thanks
